

Second Warren Workshop on Glycoconjugate Analysis

<http://glycomics.unh.edu/WarrenWorkshop/index.htm>

(program-registration-lodging-abstracts-student travel)

~~ A dialog among the specialists ~~
On the Campus of the University of New Hampshire, Durham

Wednesday Evening July 9th – Saturday Noon, July 12, 2008

Leave the hype.....bring the gripe

“Can We Find Synergy in Glycoconjugate Analysis?” Discussion Sessions in Selected Topics of Structure

- High Throughput Strategies
- Carbohydrate Cancer Biomarkers
- Determination of Carbohydrate Structural Details
- Bioinformatics Solutions and Demonstrations
- Nonreductive Release of O-linked Glycans

Co-Chairs, Rudi Geyer
Vern Reinhold

+++++++ Friday Dinner at the Winery-Distillery ++++++

Participating Organizations:

Am. Soc. Mass Spectrometry Glycobiology Society HUPO-HGPI

Organizing Committee:

Ashline, UNH
Geyer, U Giessen
Lapadula, UNH
Leverly, UNH
Moreman, CCRC

Narimatsu, AIST
Packer, Australia
Sheeley, NCRR
Taniguchi, HUPO
Wada, Osaka

Von der Leith, Heidelberg
York, CCRC
Zaia, BUSM
Zhang, UNH
